# Message from the Chairman

On behalf of the NBCC Foundation Board of Trustees, it is my great pleasure to congratulate the 2016-2017 recipients of bursaries. We sincerely hope that your studies at the colleges will be successful and will lead to a fulfilling career.

It is because generous donors have recognized the importance of college education, that the Foundation was able to award a total of 737 bursaries this year to students from all campuses of the New Brunswick Community College, the Collège communautaire du Nouveau-Brunswick and the New Brunswick College of Craft and Design.

The only goal of the Foundation is to assist in the financial needs of students and I want to personally thank all those donors who have made these bursaries possible for our students.

I would also like to personally thank the members of our Foundation Board for their continuing leadership and stewardship towards the management of the Foundation's assets.

Jim Jordan

# Mot du Président

Au nom du conseil des fiduciaires de la Fondation du CCNB, il me fait grand plaisir de féliciter les récipiendaires de bourses pour 2016-2017. Nous souhaitons sincèrement que vos études aux collèges soient couronnées de succès et qu'elles mènent à une carrière épanouissante.

Parce que de généreux donateurs et donatrices ont reconnu l'importance d'une formation collégiale, la Fondation a été en mesure d'octroyer cette année un total de 737 bourses à des étudiants et étudiantes de tous les campus du Collège communautaire du Nouveau-Brunswick, du New Brunswick Community College et du New Brunswick College of Craft and Design.

Le seul but de la Fondation est d'aider les étudiants et étudiantes dans le besoin financier. Je veux remercier personnellement tous ceux et celles qui ont rendu ces bourses possibles à nos étudiants et étudiantes.

Je tiens également à remercier personnellement les membres de notre Conseil des fiduciaires pour leur leadership et leur intendance continu vers la bonne gestion des avoirs de la Fondation.

Jim Jordan

# Message from the Administrator

In 2016-2017, the Foundation was again able to set new annual records in the number awards to students – 737, and the total cash value of the awards – over 650,000 dollars. These numbers bring our 10-year cumulative totals to over 3,600 awards worth more than 3.4M dollars.

This could not have happened without our generous sponsors and donors, and for this we thank them from the bottom of our hearts.

We also congratulate the student-recipients for their determination and persistence in attaining their College objectives.

The award-winners are presented to you in these pages so that everyone can see where their contributions have gone. These results are real, and serve not only the recipients, but the good of the community as well.

Good luck to all 2016-2017 recipients!

Dan Fraser

# Mot de l'Administrateur

Encore une fois, en 2016-2017, la Fondation a atteint de nouveaux sommets annuels en distribuant plus de 650 000 dollars pour 737 bourses. Ces chiffres ont porté nos totaux cumulatifs (après 10 ans de service) à plus de 3 600 bourses pour au-delà de 3,4M dollars.

Ces résultats n'auraient pas été possibles sans la très grande générosité de nos donateurs et de nos parrains. Nous les remercions tous du fond de nos cœurs.

Nous voulons également féliciter les étudiantes et étudiants récipiendaires de leur engagement et de leur persistance envers leurs objectifs collégiaux.

Les heureux récipiendaires vous sont présentés dans ces pages, afin que tous puissent voir les fins auxquelles ont servi leurs contributions. Ces résultats sont réels et affectent non seulement les récipiendaires, mais aussi le bien de la communauté en général.

Bonne chance aux boursiers et aux boursières de 2016-2017 !

Dan Fraser
