## MESSAGE FROM THE CHAIRMAN

On behalf of The NBCC Foundation Board of Trustees, it is a great pleasure to congratulate the 2017-2018 recipients of bursaries. Everyone involved with the Foundation sincerely hopes that your studies at the colleges will be successful and will provide a platform to each of you for a fulfilling career.

Those generous donors that have recognized the importance of a community college education have helped facilitate a total of 719 bursaries this year to students from all campuses of the New Brunswick Community College, the Collège communautaire du Nouveau-Brunswick and the New Brunswick College of Craft and Design.

We want to ensure that donors understand that we are very grateful for their contributions and that they know a significant difference has been made in the lives of many students.

I would also like to acknowledge the outstanding efforts of our community college staff and the Foundation Board members for their continuing partnership towards the management of the Foundation's activities.

Jim Jordan

## MOT DU PRÉSIDENT

Au nom du Conseil des fiduciaires de La Fondation du CCNB, c'est un grand plaisir de féliciter les récipiendaires de bourses de 2017-2018. Toutes les personnes impliquées avec la Fondation espèrent sincèrement que vos études aux collèges seront couronnées de succès et fournissent une plate-forme à chacun d'entre vous pour une carrière épanouissante.

Ces généreux donateurs et donatrices qui ont reconnu l'importance d'une éducation d'un collège communautaire ont contribué à faciliter un total de 719 bourses cette année aux étudiants et étudiantes de tous les campus du Collège communautaire du Nouveau-Brunswick, du New Brunswick Community College et du New Brunswick College of Craft and Design.

Nous voulons nous assurer que les donateurs et donatrices comprennent que nous sommes très reconnaissants pour leurs contributions et qu'ils connaissent qu'une différence significative a été posée dans la vie de nombreux étudiants et étudiantes.

Je tiens également à souligner les efforts remarquables de notre personnel des collèges communautaires et les membres du Conseil des fiduciaires de la Fondation pour leur partenariat continu vers la gestion de nos activités.

Jim Jordan

## MESSAGE FROM THE ADMINISTRATOR

In 2017-2018, the Foundation was again able to set a new annual record in the total value of awards distributed – over 680,000 dollars – which produced 719 bursaries and scholarships for college students. These numbers bring our 11-year cumulative totals to over 4,300 awards worth more than 4M dollars.

This could not have happened without our generous sponsors and donors, and for this we thank them from the bottom of our hearts.

We also congratulate the student-recipients for their determination and persistence in attaining their College objectives.

The award-winners are presented to you in these pages so that everyone can see where their contributions have gone. These results are real, and serve not only the recipients, but the good of the community as well.

Good luck to all 2017-2018 recipients!

Dan Fraser

## MOT DE L'ADMINISTRATEUR

Encore une fois, en 2017-2018, la Fondation a atteint un nouveau sommet dans la valeur des bourses distribuées, soit plus de 680 000 dollars. Cette somme aura produit 719 bourses pour les étudiants et étudiantes du collégial. Ces chiffres ont porté nos totaux cumulatifs (après 11 ans de service) à plus de 4 300 bourses pour au-delà de 4 M dollars.

Ces résultats n'auraient pas été possibles sans la très grande générosité de nos donateurs et de nos parrains. Nous les remercions tous du fond de nos cœurs.

Nous voulons également féliciter les étudiantes et étudiants récipiendaires de leur engagement et de leur persistance envers leurs objectifs collégiaux.

Les heureux récipiendaires vous sont présentés dans ces pages, afin que tous puissent voir les fins auxquelles ont servi leurs contributions. Ces résultats sont réels et affectent non seulement les récipiendaires, mais aussi le bien de la communauté en général.

Bonne chance aux boursiers et aux boursières de 2017-2018 !

Dan Fraser
